

## **ACCIDENT & HEALTH OVERVIEW**

Accident & Health International is an underwriting agency specifically created to provide Personal Accident, Medical and Travel insurance. We have been in operation since March 1998 and underwrite business on behalf of Allianz Australia who give us full authority to quote and bind business, collect premiums and pay claims on their behalf.

Allianz Australia is a subsidiary of Allianz AG, one of the world's largest insurance and financial service providers with assets under management of over one trillion euros. Their operations span more than 70 countries with employees totalling almost 180,000 worldwide. They are one of Australia's largest general insurers who provide some form of insurance cover for two thirds of Australia's top fifty companies.

Accident & Health International have in excess of 20 dedicated personnel, each with the ability to assist our brokers and customers with the utmost professionalism. We consider ourselves a family company with many of our staff having worked together for more than ten years.

Our comprehensive range of products can be tailored to suit most Accident and Health risks. From a Personal Accident and Sickness policy for the local tradesman, to comprehensive Travel and Medical policies for Australia's largest businesses - we insure tens of thousands of Australians both locally and overseas.

Our range in Accident & Health products is competitive and we are confident that we can satisfy most of your requirements. Our systems, administration and claims service is professional and efficient and we welcome the opportunity to work with you and prove the abilities of our truly unique company.
